

CAREER OBJECTIVE

Enthusiastic AI and Machine Learning undergraduate seeking an internship opportunity to gain real-world exposure, strengthen technical expertise in front-end development using JavaScript , and contribute to innovative projects that leverage AI concepts.

EDUCATION

B.Tech, Artificial Intelligence And Machine Learning 2024 - 2028
BMS Institute of Technology
CGPA: 9.10/10

Senior Secondary (XII), Karnataka State Board 2024
Science
Excellent PU College
Percentage: 97.00%

Secondary (X), CBSE 2022
Gurukula Public School
Percentage: 91.00%

PROJECTS

Breast Cancer Prediction using Machine Learning
Dec 2025 - Jan 2026

- Developed an AI-Based advisory system to answer farmer queries related to crops, soil, weather, pests and best farming practices.
- Built a mobile application for direct market access, enabling farmers to connect with buyers and get fair pricing without intermediates.
- Integrated machine learning and NLP techniques to provide personalised recommendations and real-time support.
- SKILLS USED
- Python, Machine Learning, NLP, Mobile Development App, Data Preprocessing, Recommendation Systems, Scikit-Learn,Pandas.

AI-Based Farmer Query Support and Advisory System
Nov 2025 - Dec 2025

- Developed an AI-Based advisory system to answer farmer queries related to crops, soil, weather, pests and best farming practices.
- Built a mobile application for direct market access, enabling farmers to connect with buyers and get fair pricing without intermediates.
- Integrated machine learning and NLP techniques to provide personalised recommendations and real-time support.
- SKILLS USED
- Python, Machine Learning, NLP, Mobile Development App, Data Preprocessing, Recommendation Systems, Scikit-Learn,Pandas.

SKILLS

- Python
 - HTML
 - Data Structures
 - Artificial intelligence
 - Effective Communication
 - Hindi Proficiency (Spoken)
- C Programming
 - CSS
 - Algorithms
 - Teamwork
 - Problem Solving
 - Kannada Proficiency (Spoken)
- C++ Programming
 - JavaScript
 - Machine Learning
 - Leadership
 - English Proficiency (Spoken)

EXTRA CURRICULAR ACTIVITIES

- International Service Director, Rotaract from 2025 to 2026.
- Sports Head in college hostel fest.
- Main Anchor for college events.
